Village of Akron/Town of Newstead Electronic Recycling Drop-Off

In cooperation with Regional Computer Recycling & Recovery, the Village of Akron and the Town of Newstead are pleased to announce that we will be offering a free Electronic Recycling Drop-Off site for the residents of the Village of Akron and the Town of Newstead.

Beginning on Saturday April 7th and continuing each Saturday through November 10th electronic waste may be recycled at the Village of Akron/Town of Newstead Joint Public Works Facility located at 12707 Clarence Center Road between 9:00 AM – 12:00 PM.

Acceptable Electronic Waste:

Computers	Laptops	CRT Monitors	LCD Monitors
Televisions	Keyboards	Fax Machines	Scanners
Small Copiers	Small Printers	VCR's	DVD Players
Cable Receivers	Game Consoles	Cell Phones	Converter Boxes

Computers and electronics may contain hazardous waste elements such as lead solder, cadmium and beryllium. Monitors, Cathode Ray Tubes (CRT's) and Televisions have anywhere from 4 to 8 pounds of lead. These types of equipment need to be recycled properly in an environmentally sound fashion.

For more information, please feel free to contact the Village of Akron (542-9636) or the Town of Newstead (542-4573).
